Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Your application for registration submitted for business tax has been processed. The account number on this certificate is used by the Department of Revenue to identify your account and must be shown on all returns and correspondence.

This certificate is not your business license. You must obtain the business license from your local county clerk; if your business is in a city, you must obtain the municipal business license from your local municipal business tax official.

Requirement for a Complete Registration: Business tax registration is not complete until you have visited (in person or online) the appropriate county clerk or municipal business tax official and paid the \$15 new license fee to the clerk. You may present this certificate to the local clerk to document completion of the registration application.

Entities subject to the business tax that do not have an established physical location or other place of business in Tennessee and entities subject to the business tax in Classification 5 (industrial loan and thrift companies) are not required to obtain a business license from a county or municipality in the state.

Filing Returns: Effective January 1, 2014, all business tax returns should be filed and all business tax payments should be made electronically. Persons subject to the tax must file the appropriate annual return for each business license obtained and remit the appropriate amount of tax due but not less than the minimum tax required. You are required to file the annual return even if only the minimum tax is due. Visit <http://apps.tn.gov/biztax> to file your business tax return(s) electronically.

Due Date: The due date of the return is the 15th day of the fourth month after the close of the business year end. For example, if your business is set up on with a business year end of December 31st, your tax return is due on or before April 15th of the following year.

License Renewal: Once you have filed the appropriate business tax returns with the Department of Revenue and have paid the tax due, you may obtain a renewal of your business license through your local county clerk or municipal business tax official, as appropriate.

Penalty & Interest: In order to avoid penalty and interest all returns must be filed and all tax must be remitted on or before the due date of the return.

For additional information regarding this account you may call Taxpayer Services between 8:00 a.m. and 4:30 p.m., Monday through Friday, holidays excepted. Please see the reverse of this notice for our local offices and phone numbers.
